

MS SCHIPPERS

Passion for farming

Schippers is one of the largest Agricultural wholesalers in Europe, specialized in products and services for the livestock farmer. Our head office is located in Bladel (The Netherlands), our warehouse in Lommel (Belgium) and we do have local sales offices in Belgium, Germany, France, Spain, Italy, Switzerland, Canada, the Philippines, and China. Furthermore Schippers is servicing clients around the world (for instance Romania, Hungary, Bulgaria, Poland, the Baltic States, Korea, and Vietnam). Currently Schippers is employing 180 people. Every day deliveries are made to more than 12.000 regular customers in- and outside Europe. Strong international growth is achieved in the product groups Animal Hygiene and Artificial Insemination.

For expansion of our team we are looking for a:

Export Sales Representative

The partner we are looking for needs to fulfil following profile:

- Affinity with agricultural business
- Representative and good social skills
- Agrarian knowledge and if possible knowledge of our products
- Sales experience
- Controlling the Dutch and English language in writing and speaking. Knowledge of other languages is an advantage
- Pro active working attitude
- Willing to travel regularly to our dealers and customers

The job will contain:

- Maintaining and expansion of customer and dealers relations
- Visit customers/dealers and provide them with the needed product information/support
- Promotion activities at international fairs

We offer you a challenging job with many international aspects and space for personal development with pleasant colleagues and a friendly working environment.
